

Last date extended to 30th June, 2020.

INVITATION FOR PRELIMINARY APPLICATION FROM FINAL YEAR STUDENTS

NIFT is going to establish NIFT Design Innovation Incubator (NDII), which includes four incubator labs at three centres of NIFT. An S 8 Company (NIFT Foundation for Design Innovation) is being registered under the Companies Act to house the NDII which will govern the Regional Incubators:

1. Home and Spaces (New Delhi)
2. Smart wearable systems (Mumbai)
3. Fashion and Lifestyle accessories (Mumbai)
4. Apparel including Athleisure and Activewear (Chennai)

NIFT invites applications from the graduating students of the batch 2020, in the area of textile, apparel, fashion and lifestyle accessories coming under the scope of above four incubators.

Guidelines for submitting application:

- Proposal to be submitted in pdf format as per the template enclosed.
- Maximum word limit is 1000 (excluding references)
- Originality - Any proposal with similarity index higher than 10% (Plagiarism check) will be disqualified.
- File name should be named as Student's Name_ Department_Centre, e.g. Samiksha Pradhan_FC_Delhi.
- The same should be sent via email to the email id: **dii@nift.ac.in** keeping your CC and CAC in copy.

Students, whose proposal is selected, will get an opportunity to be inducted as an Incubatee in the relevant NDII Lab. Students will have to offer an assistantship in the respective NDII lab, during their period of incubation. NIFT expects its Incubatees to demonstrate independent Business and thought leadership through design & material innovation, Creativity and the potential to do outstanding Business must be a hallmark of their personality and intellectual skill set.

The proposal will be evaluate by a team of experts.

The last date for submission of proposal is ~~30/05/2020~~. **30/06/2020**.

(Duplicate Entries will be disqualified)
