The freshly admitted students gazed at the beautiful campus of the institute situated in Kashmir and as many of them are leaving behind the familiar comforts of home, of high school, and stepping into a world where change is constant. It was natural to see the feeling of excitement and apprehension, however, Nift Srinagar wanted to assure them that they were not alone and that all were together in their new journey, as a community, as friends, and as mentors to one another with this thought the institute also organized a day trip to Doodhpatri as part of the Orientation Programme, 2023, which was a rejuvenating experience for our freshers. The lush green meadows of the location have been a witness to their enthusiasm and energy since then!

Teachers' Day Celebration 2023

Nift Srinagar celebrated Teachers' day on the 5th of Sep with heartwarming performances by students that included music, dance, and drama. These artistic expressions were a token of admiration and respect for the teachers who have left an indelible mark on their lives. The highlight of the event was the presentation of the Teacher Appreciation Awards. The awards recognized teachers in various categories. The non-teaching staff and administrative personnel were also recognized for their invaluable support in the smooth functioning of the school. The Day, once again demonstrated the importance of acknowledging the dedicated educators who play an essential role in nurturing and guiding the leaders of tomorrow.

Foreign Exchange Student Interaction

International and Domestic Linkage organized an interactive session with NIFT Srinagar alumni and current students who have been to the Fashion Institute of Technology, New York, and Swiss Textile College, Switzerland on the Student Exchange Program. They shared their insights and experiences with students interested in exploring international opportunities.

Alankrita Davre of Fashion Design semester 7 returned from FIT, New York after her one-year exchange program, and campus' proud alumni Ishna Bisht who had also been to FIT for the same program and this year came back to the campus now as a faculty to take a module for the FP Batch disclosed how was their experience overseas and what are the benefits and learnings they got out of the program.

Urvi Patel (MFM 3), Avneesh Durge (FD 7), and Vishwajeet Rai (FC 5) also shared their experiences at STF, Switzerland.

“For many, the idea of studying abroad is a dream come true, an opportunity to explore new cultures, gain a broader perspective, and create lifelong memories. My student exchange program experience was exactly that—a journey of self-discovery, cultural immersion, and personal growth that I will cherish forever!”

– Alankrita Davre

“Returning to college as a faculty member after previously being a student is a unique and rewarding experience. It offers a chance to bring a new perspective to the academic environment and contribute to the growth and development of students. It can be a fulfilling and enriching experience as you guide and mentor the next generation of students while continuing to learn and grow in your professional capacity”

- Ishna Bisht

Unleashing Creative Expression in the Heart of the Valley

As part of Swachhata Campaign 3.0 NIFT Srinagar, students beautified Government Boys Higher Secondary School, Budgam under the guidance of Mrs. Gulistaan Siddiqui, Assistant Professor.

The wall was beautifully painted with the elements of Kashmir from the tulips to the shikhara and the famous chinar leaves, leaving the school premises brighter and more colorful than ever!

The murals will now serve as a testament to the collective spirit of Kashmir, creativity, and commitment to making it a welcoming and inspiring space.

College Festivities 2023: Where Fun and Creativity Collided

Hold onto your hats, folks, because the college festivities of this year at Nift Srinagar are off the charts! Right after the grand orientation program the interaction between the seniors and freshers went up to another level with trendy and popular themes such as Barbie X Oppenheimer, it was a whirlwind of excitement, creativity, and downright fun. So, grab a seat, and let's take a wild ride through the highlights of this year's college shindig!

In The Colors Of National Pride

The 77th Independence Day at NIFT Srinagar was proudly celebrated in the spirit of unity, diversity, and the pursuit of happiness!

The fun-filled program brought the faculties and students together celebrating the freedom of our nation! From skits to dance performances and laddoos the event was a blast.

A Joyous Celebration Of Lord Krishna's Birth -

Amidst the echoes of devotional songs, the aroma of freshly prepared sweets, and the playful spirit of camaraderie, our college campus transformed into a vibrant tableau of colors and festivity as we celebrated Janmashtami. This auspicious day, commemorating the birth of Lord Krishna, was a beautiful blend of tradition, culture, and spiritual reverence. One of the highlights of our celebration was the Dahi Handi,

inspired by Lord Krishna's mischievous love for butter. Students formed human pyramids to reach and break the suspended pot of curd, symbolizing the playful nature of Lord Krishna. The cheers and applause added to the excitement of the event.

Oru Kalakan Katha Onam Celebration

With an exciting and huge number of students belonging from the land of gods – Kerala the festival of Onam had to be a level up and sure it was an unreal vibe in the campus of Nift Srinagar. Right from the stunning floral masterpieces known as “Pookalam” to the grand Onasadhya,

a traditional Kerala feast served on banana leaves. The college mess was transformed into a culinary paradise, with an array of delectable dishes. From Avial to Payasam, the Flavors of Kerala danced on our taste buds, leaving us craving for more.

Power, passion, and Victory

The heart of Sports Day lies in the impressive array of sporting events, and this year was no exception. On 27th-28th of August athletes showcased their skills and determination in various sports, from track and field to team sports like chess, volleyball, and basketball. The cheers from the spectators echoed across the campus as athletes sprinted, jumped, and scored their way to glory. Not only that but the infamous cricket matches between the faculties, staff, and students brought joy and happiness in and around the campus. The Sports Club made sure that the program was more than just a day of competition; it was a celebration of the power of sports to inspire, unite, and bring out the best in people. It showcased the talent, determination, and sportsmanship of our college community.

Aala Re Aala - Ganesh Chaturthi Extravaganza

Amidst the rhythmic beats of dhols and the fragrance of fresh flowers, our college campus came alive with vibrant colors and spiritual fervor as we celebrated Ganesh Chaturthi. This auspicious day, dedicated to Lord Ganesh, the remover of obstacles, was a blend of devotion, creativity, and unity that left everyone in high spirits. The 2-day long festival saw students making around 700 modaks and the heart of our Ganesh Chaturthi celebration was the grand Ganesha idol that graced the campus. until next year,

may the spirit of togetherness continue to flourish in our college community. Ganpati Bappa Morya!

This semester there has been a whirlwind of colors, flavors, and experiences that brought the campus community together in ways which was never imagined before. Creativity met fun, and the result was a celebration that will be etched in the student's memories forever. Until next year, where they aim to top even this remarkable extravaganza, let us keep the spirit of joy and togetherness alive!
